To request a book from the WorldCat Database

From the library homepage>click on “FIND BOOKS”

then on “WorldCat”

Search for a book by subject, title, author:

When you find the book, click on the title
This will open the record for the book. Click on “REQUEST THROUGH ILLIAD”

Log into ILLiad:

A new screen will open, the form already populated with the information for the book:

Click on “Submit Request”

The book should arrive within 3-5 business days, to be picked up at the Circulation Desk in the Library. You will be notified via email.
To request an article from a database:

From the library homepage, click on “Databases Listed by Title”

Select a Database. For this example, we will use Academic Search Premier:

Click on Academic Search Premier

NOTE: from off-campus, you will be prompted to enter:

Username = Your first & last names
Password = the barcode # on the back of your Widener ID card or Library Research Card
Search for an article:

If the FULL Text article (PDF) is not available, click on “ILLiad Wolfgram” [NOTE: we share electronic resources with the Delaware and Harrisburg campuses. Make sure to click on ILLiad Wolfgram]

Log into ILLiad:

The request form will be automatically populated:

Click on **Submit Request**

In 3-5 business days you should receive an email with directions to access the article electronically.
