Information Session Descriptions

Academic Support Services
This session includes information on disability services and other academic support services available to Widener students.

Career Services
From choosing a major to co-ops, internships, and grad school applications, college is a time of discovery, exploration, evaluation, decisions, and planning. This session will provide an overview of and answer questions about the Co-op Program available to students in the School of Business Administration, School of Engineering, and Computer Science/Computer Information Systems majors. We want to partner with you to guide you through the process of obtaining relevant work experience while in college and provide you with the skills and resources to be successful. Come to this session to hear about the many ways Career Services can help you prepare for your future.

Financing Your Widener Education
Representatives from the Office of Student Financial Services will discuss ways in which you can use financial aid, loan options, and the payment plan to finance a Widener Education.
Honors Program in General Education

Students who have been invited into this program will have the opportunity to speak with the director, Dr. Ilene Lieberman, and to observe a presentation by current honors students.

Multicultural Student Affairs at WU

A student panel will discuss and answer your questions about the various events and activities sponsored by the many multicultural student organizations and two programs specifically designed for freshmen students: the 1821 Experience Pre-Orientation and the PRIDE Mentoring Programs. New students will be invited to submit “early bird” applications for these popular programs.

Pre-Physical Therapy

Students and faculty from the Physical Therapy program will discuss how Widener’s program works and answer your questions. This is for anyone who could not attend the earlier reception or is looking for more information after attending the earlier session.

The Roommate Connection

Looking forward to meeting other students who share common interests and goals? Let us help you connect to a great roommate! This session is for incoming freshmen students. If a transfer student is seeking a roommate connection, please attend the Transfer Talk session.

Taking Pride in Our Home

Residential living is not just a place to sleep and store things anymore! Learn more about living on campus and experiencing life outside the classroom.

Teacher Certification Options for the Arts & Science Major

The School of Education, Innovation, and Continuing Studies at Widener University offers certification programs for early elementary, middle years, and special education. If you have an interest in teaching secondary students in high school, this session is for you. As an Arts & Sciences major, you may choose to obtain a teacher certification in a content area—i.e. Science, Social Studies, English, Modern Language, or Mathematics.

Transfer Talk

Concerned about transitioning to another campus? This session will help you make connections with other transfer students and realize you are not alone! The transfer population is a significant, vital part of the Widener community! Meet and mingle with other accepted transfer students and hear from a few current Widener students who arrived to campus as transfer students and have thrived in the transition.
