

## Satisfaction of Completers

**CAEP Standard 4.4:** The provider demonstrates, using measures that result in valid and reliable data, that program completers perceive their preparation as relevant to the responsibilities they confront on the job, and that the preparation was effective.

Widener University collects data to determine the satisfaction of completers by administering a Student Teaching Exit Survey to all program completers who are eligible for Instructional I Certification.

Total amount of 2018/2019 Student Teachers: 35

Total amount of survey completers: 24

Percentage of Student Teachers who completed the survey: 69%

### How well did your Widener University program prepare you to:
