

Summary Institution-Level Title II Pass Rate Data

The summary pass rate for all program completers in the Traditional Teacher Preparation Program for 2016-17, 2015-16, and 2014-15 Academic Years do not accurately reflect the percentage of completers who have received Instructional I certification during those years, due to PDE’s GPA Sliding Scale for content licensure exams.

The Pennsylvania Department of Education implements a GPA Sliding Scale for PA certification tests. Note: The GPA Sliding Scale may not be used for intern certificates, add-ons by testing, or basic skills assessments.

The chart below has added the following data: Program completers who have received Instructional I Certification. This information was identified and added to show the percentage of program completers from 2016-17, 2015-16, and 2014-15 Academic Years who were eligible for certification, despite the Institutional Pass Rates statistic.
