

## INTERNATIONAL STUDENTS TRANSFERRING TO WIDENER UNIVERSITY

We have *eliminated our transfer in form* that was to be completed by the transfer out school. However, there are still steps you must complete in order for Widener to properly issue your I-20/DS-2019.

You must provide ISS with copies of:

- your passport,
- your visa,
- your I-94/DS-2019 card/print out,
- **all** previous I-20s/DS-2019,
- your I-901 SEVIS fee receipt,  
-and-
- any EADs, I-797s or other immigration documents you may have.

*Without these documents we cannot properly determine your eligibility for certain benefits.*

You must ensure that the transfer-out school electronically transfers your SEVIS record to Widener. You must provide the transfer-out school with the correct **campus name and school code**. Widener has three SEVIS campuses:
