

Professional Goals Statement (2-3 Pages double-spaced)

Your professional goals should focus on your specific interests and career objectives. This essay gives you an opportunity to demonstrate your ability to write on a graduate level. This is also the platform to persuade the admissions committee that you would be a positive addition to our student body and eventually, our alumni as a sexuality educator, counselor, therapist, advocate, professor, and/or researcher. Please address:

1. Describe your career aspirations within the field of human sexuality.
2. Why did you choose to apply to Widener University Human Sexuality Studies graduate program?
3. Discuss your choice of Therapy, Education, Public Policy or Non-Profit Management Tracks.
4. Please discuss any specific training or work you've done to advance racial and social justice, and/or the ways in which you envision your contributions to the professions of human sexuality advancing racial and social justice.
