

Graduate Institution Enrollment of Graduates (2019)

The 2019 Graduation Outcomes Survey, as administered by Handshake, was used to compile a list of graduate schools and programs into which Widener University students are seeking continuing education. Data was collected for the graduating class of 2019, defined as those students graduating in August 2018, December 2018 and May 2019. Recent graduates self-disclosed this information and the survey was administered between April and December 2019.
