

DAWN T. GULICK, PhD, PT, AT, CSCS
Curriculum Vitae

Widener University
 One University Place, Chester, PA 19013
 (610) 499 – 1287
 dtgulick@widener.edu

EDUCATION:

Temple University, Philadelphia, PA Doctorate of Philosophy in Exercise Physiology	1986 – 1995
Emory University, Atlanta, GA Master of Physical Therapy AMBUCS Scholar	1981 – 1983
Lock Haven University, Lock Haven, PA Bachelor of Science in Athletic Training Phi Kappa Phi Honorary Society Kappa Delta Pi Honorary Society Athletic Scholarship	1977 - 1981

LICENSURE:

Physical Therapy	Pennsylvania PT-001178E Direct Access License DAPT-000499	1984 - present 2004 - present
Athletic Training	Pennsylvania RT-000480A	1987-present

CERTIFICATIONS:

Strength & Conditioning Specialist – NSCA 99-07-27-011	1997 - present
American Heart Association CPR Instructor #517	1979 - present

EMPLOYMENT:

Widener University, Chester, PA Professor Associate Professor Assistant Professor	2008-present 2002-2008 1996-2002
Therapeutic Articulations, LLC, Spring City, PA Founder & CEO – Development of educational resources & products	2010-present
AquaSport Physical Therapy, P.C., Audubon, Pughtown, & Zieglerville, PA Vice President - Administrator & clinician for outpatient physical	1996-2007

therapy & athletic training services

Temple University, Philadelphia, PA Adjunct Faculty – Graduate School of Athletic Training	1990-1995
Advanced Care Therapeutics, P.C., Schwenksville, PA Owner/Partner – outpatient physical therapy clinic	1990-1995
Norristown Sports Medicine Center, Norristown, PA Physical Therapy Department Chairperson Athletic Trainer – Bishop Kendrick High School	1987-1990
Bryn Mawr Rehabilitation Hospital, Malvern, PA Orthopedic Physical Therapy Coordinator Sports Medicine Program Director	1984-1987
Medical Fitness Institute, Feasterville, PA Staff Athletic Trainer & Physical Therapist	1981-1985

PATENTS & TRADEMARKS & FDA APPROVAL:

Gulick, D. T. DBA Therapeutic Articulations, LLC

Class 1 approval for the Mobil-Aider™ Q172249 obtained February 16, 2018

Gulick D.T. Mobil-Aider™ – Quantification of Joint Mobilization Techniques

Provisional Patent Application # 504177253; Filed Jan 13, 2017

Non-Provisional Patent Application 504730403; Filed Jan 9, 2018

Gulick, D.T., DBA Therapeutic Articulations LLC – U.S. Trademark Registration #4,681,741 for iOrtho+ (Mobile Application) on Feb 3, 2015

Gulick D.T. Mobil-Aider™ – Glove for Sensing Displacement during Joint Mobilization

Procedure and Method for using such a Glove

Provisional Patent Application # 62/087,554; Filed Dec 4, 2014

PEER REVIEWED PUBLICATIONS:

GRANT ACTIVITIES:

TABA, NSF Phase II Supplement - \$50,000 – submitted May 2020

TECP, NSF Phase II Supplement – May 2020 – awarded \$150,000

PRIMA Grant – April 2020 – awarded \$10,000

Ben Franklin Technology Partners – January 2020 – awarded \$50,000 convertible note

National Science Foundation, Phase II SBIR – August 2019 - awarded \$748,000 – funding period Sept 2019 – Aug 2021

Penn-Nanocenter Technology Seed Grant – February 2019 – awarded \$2,000 in kind

Ben Franklin FabNet Grant – February 2019 – awarded \$5,000

Innovation Partnership Grant – FMA Phase II – January 2019 - awarded \$3,475

National Science Foundation, Phase 1 SBIR – awarded \$222,255 – funding period July-Dec 2018

NIH SBIR – Musculoskeletal Grant – applied January 2018 - \$220,500 – not funded

Johnson & Johnson Innovation Award – applied September 2017 – not funded

Phi Kappa Phi Love of Learning Award - November 2017 – awarded \$500

Innovation Partnership Grant – October 2017 – awarded \$3,000

SBIR Grant, Mobil-Aider, \$145,000 – April 2017 positively reviewed by 2 of 3 but not funded

Science Center DHA Grant, \$50,000 – May 2017 progressed to finals but not funded

Penn Nanotech Grant – April 2017 – awarded \$1,000 in kind equipment use

Innovation Partnership Grant - March 2017 – awarded \$2,000

Widener University Provost Grant – Spring 2017 – awarded \$2,000

Ben Franklin Technology – January 2017 – awarded \$5,000

Science Foundation Grant Finalist – iOrtho+ Mobile App - \$50,000 – October 2015 not funded

Science Foundation Grant – Mobil-Aider \$50,000 – October 2015 – not funded

SBIR Grant. Mobil-Aider, \$150,000 – December 2014 – not funded

Phi Kappa Phi Love of Learning Grant – “Effects of Aquatic Plyometric Activities on Functional Mobility in Community Dwelling Older Adults” awarded \$500, Sept 2009

Widener University Provost Grant – “Effect of Ischemic Pressure using a Backnobber II Device on Discomfort Associated with Myofascial Trigger Points” awarded \$1400, April 2009 (in addition, Pressure Positive provided \$1500 worth of product)

PATS Research Grant – “Effects of Aquatic Plyometric Activities on Functional Mobility in Community Dwelling Older Adults” submitted Spring 2008, not funded

ACP Research Grant – “Effect of Percutaneous Electrical Stimulation on Vertical Jump in Collegiate Athletes” awarded \$1500, Fall 2006

Richmar Research Grant – “Comparison of Tissue Heating with Handsfree vs. Traditional Ultrasound Transducers – 1- & 3-MHz” awarded \$1725, Summer 2006

Widener University Provost Grant – “Is Ultrasound a Contraindication for Joint Arthroplasty?” awarded \$795, March 2006

Widener University Provost Grant – “Comparison of Land & Aquatic Plyometrics on Strength, Power, & Agility,” awarded \$1465, April 2005

NATA Grant – “Effect of Eccentric Hamstring Training on Dynamic Tibial Translation,” submitted summer 2004, not funded

Pennsylvania Campus Compact Grant – “North Atlantic Quadriplegic Rugby Tournament,” submitted Fall 2002, not funded

EATA Research Grant – “Comparison of Methyl Nicotinate & Aquasonic Gel on Tissue Heating with 3 MHz Ultrasound,” submitted Winter 2001, not funded

Implementing Evidence Based Practice into the Classroom, awarded a grant with Dr. Paula Geigle to attend the workshop in Los Angeles, California, \$1600, March 2001

Widener University Provost Grant - "Effects of Phonophoresis Duration on Dexamethasone Depth of Penetration in Swine Tissue - Phase II" \$1000, 1998-9

Orthopedic Section Grant (APTA) - "Effects of Acetic Acid Iontophoresis on Bone Spur Reabsorption," \$1000, 1998

Widener University Provost Grant - "Effects of Phonophoresis Duration on Dexamethasone Depth of Penetration in Swine Tissue - Phase I," \$1000, 1997-1998

NATA Research Grant (dissertation) - "Effects of Various Treatment Techniques on the Signs & Symptoms of Delayed Onset Muscle Soreness," \$4800, 1993-1994

Cyriax Shoulder Evaluation: Dr. Russell Woodman	Dec 2002
Spring Sports Medicine Symposium: West Chester University	April 2002
Plyometrics: Beyond Boxes & Balls: NATA	Aug 2002
Repetitive Strain Injuries in the Workplace – Ergonomic Strategies, IPTA	April 2002
APTA Combined Sections Conference: Boston, MA	Feb 2002
Wound Care: Pamela Unger	Oct 2001
Implementing Evidence Based Practice into the Classroom: UCLA	March 2001
APTA Combined Sections Conference: San Antonio, TX	Feb 2001

Pre- & Post-Partum Therapeutic Evaluation & Intervention: Elaine Wilder	Sept 2000
Emotional Intelligence at Work: Karol Wasylshyn	May 2000
APTA Combined Sections Conference: New Orleans	Feb 2000
APTA Annual Conference, Washington, DC,	June 1999
Spring Sports Medicine Symposium: West Chester University	May 1999
APTA Combined Sections Conference: Seattle, WA	Feb 1999
Winter Sports Medicine Symposium West Chester University	Dec 1998
Breathing is it Really Necessary: Mary Massery	Oct 1998
Functional Orthopedic Approaches to the Elderly Client: Cissy Voight	Feb 1998
APTA Combined Sections Conference: Boston, MA	Feb 1998
Orthopedic Bracing: Smith, Nephew, DonJoy	June 1997
Muscle Imbalances: S. Sahrman,	Oct 1996
Pediatric Roundtable: Austill's Rehabilitation	May 1996
NATA Annual Conference: Indianapolis	June 1995
Sacral Dysfunctions: Pennsylvania Athletic Trainers Society	April 1994
Shoulder Injuries/Rehabilitation: Dogwood Conference	Oct 1991
Myofascial Release: J. Barnes	July 1990
Clinical uses of Traction: McBeth Company	Jan 1990
Electrotherapy Update: IAPT	March 1990
Industrial Rehabilitation: American Therapeutics	July 1989
Joint Reconstruction: CHOP	April 1989
Dynamic, Rolyan, Smith, & Nephew	Nov 1988

S1 - Spinal Evaluation & Treatment: Graduate Institute	July 1988
When the Feet Hit the Ground Everything Changes: Dogwood Conference	April 1987
Team Approach to Joint Arthroplasty: HUP	Nov 1986
Model-Netics Management Course – H. Harold	Fall 1986
Spinal Management: Lossing	Oct 1986
Time Management: Take Charge Consultants	Oct 1986
Garden State Symposium: New Jersey Athletic Trainers Society	Dec 1985
Vestibular Stimulation – P. Montgomery	July 1985
Abnormal Motor Control – P. Duncan	March 1985
Sports Medicine Symposium: Williamsport Hospital	March 1984
Georgia Sectional Conference: Georgia Physical Therapy Association	Oct 1983
Dogwood Conference: Atlanta, Georgia	April 1982

CURRENT TEACHING RESPONSIBILITIES IN THE PHYSICAL THERAPY PROGRAM:

PT730 Client Management I	Co-Instructor Lecturer	Fall 1997-2001 Fall 2012-2013
PT725 Kinesiology	Co-Instructor	Fall 1996-2020
PT727 Musculoskeletal I (Pathology)	Instructor	Spring 2013-2020
PT732 Musculoskeletal II (Extremity)	Co-Instructor	1997-Summer 2020
PT805 Client Management III (Electro) (Previously PT734 – Intervention IV)	Instructor	Spring 1997-2019
PT736 Musculoskeletal III (Spine)	Co-Instructor	1997-Fall 2018
PT737 Visceral Systems	Instructor	Summer 2013-2019

PT887 Sports Physical Therapy Elective	Instructor	1997-2019
PT910 Medical Screening (t-DPT)	Instructor	2003-2011
PT953 Specialty Focus I	Instructor	2002-2013
PT954 Specialty Focus II	Instructor	2002-2013
PT955 Specialty Focus III	Instructor	2002-2014
PT956 Specialty Focus IV	Instructor	2002-2014
