Current Employment

Founder & Director: Gender & Sexuality Development Program, The Children’s Hospital of Philadelphia, Philadelphia, PA, January 2014 to present.

This clinic was one of the nation’s first four pediatric gender clinics to support children and youth who are gender non-conforming, gender explorative and/or transgender.

Accomplishments as part of achieving this include:

- Developed the business plan and founded the Philadelphia clinic at the Hospital in January, 2014 and expanded to include a Voorhees, NJ clinic in January of 2020.
- Established needed gender affirming policies within the Hospital to support the clinic patients and families, including updating the employee non-discrimination policy and the patient bill of rights.
- Currently running a clinic of nearly 1500 families within first three years of opening; fielding 10-15 referrals weekly.
- Securing nearly 100% rate of insurance coverage for puberty blockers through advocacy and education between hospital physicians and insurance adjusters.
- Secured multiple internal and external funding for patient and family needs, including full funding for the family support group, giving library of books to support family exploration and childhood learning on gender, and training support.
- Supervise and coordinate staff and scheduling.
- Lead and participate in research development as it pertains to the development of best care practices for our patients and families.
- Assure the Hospital and all affiliates are performing at the highest level possible in the overarching support for all LGBTQ staff, employees and providers.
- Providing state and regional trainings for health care and mental health providers.
- Mentoring hospitals nationwide in developing gender affirming care clinics with practices, policies, training and advocacy.
- Advising local, regional and national guidelines for the care of transgender and gender expansive children, youth and their families.

Family Services Specialist: Department of Patient & Family Services, The Children's Hospital of Philadelphia, January, 2014 to present.

Goal is to provide on-going assessment of the Hospital policies and practices to assure at every point of contact with patients, families and staff, LGBT individuals are treated with respect, competence and the best practices in health care and employment experience.

- Conducting annual training seminars and lectures throughout the CHOP Network and affiliates to increase their LGBT competence in supporting patients and families.
- Conducted numerous Grand Rounds presentations and private sessions to assist multiple hospitals to both increase their LGBT patient and family competence, as well as increase specific competence with transgender child/youth patient care.
- Establishing first pediatric plans for Transgender Child & Youth Policy & Practice.
- As a result of all of the above, successfully supported the Hospital in achieving the Human Rights Campaign Endorsement as a Leader in LGBT Healthcare Equality for The Children's Hospital of Philadelphia for the last two year, third year pending with anticipated approval as well.

Director & Trainer: Advanced Training in Affirmative Therapy for Transgender Communities, Widener University, January, 2018 to present.

Designed and implemented a one-year professional training program for mental health providers based at Widener University. Now running one-year training from both Philadelphia and Seattle.

- Designed year-long curriculum that includes two, in-person weekends and weekly on-line supervision as well as monthly readings.
- Supervise 6 training staff to implement the above training and supervision needs.
- Develop promotion materials to reach a national audience of potential participants.

Private Practice: Hawkins LifeWorks LLC, Philadelphia, PA, September, 2012 to present.

Private practice offering clinical support to children and youth who identify as LGBTQ and their families (no new clients as of 2014). Currently offering training for schools, churches and community agencies. Also providing clinical supervision to trainees seeking clinical training needs in these specific areas.

- Supported numerous children, youth and families in their mental health care needs.
- Supervised 12 clinical trainees, to date, in their clinical training hours.
- Continue to clinically supervise 4 trainees seeking licensure and a dozen clinicians within private practice.
- Providing trainings at colleges and hospitals throughout the nation to increase their competency in supporting the needs of LGBT children, youth and families.
