*THE CLINICAL  
PSYCHOLOGIST*  
1/05 to 12/05

Editorial Board

Responsibilities included reviewing articles for inclusion in *The Clinical Psychologist*.

*JOURNAL OF  
FORENSIC  
PSYCHOLOGY  
PRACTICE*  
11/98 to 12/00

Update Section Editor

Responsibilities included soliciting and reviewing articles on recent developments in forensic issues of interest to practitioners.

PRESBYTERIAN  
CHILDRENS'  
VILLAGE  
3/98 to 6/01

Consultant

Provided consultation services in the area of behavior modification programming to this residential treatment facility for adolescents. Responsibilities included developing and implementing an appropriate facility-wide behavior modification program as well as providing in-service training to staff on working with children who have mental health and behavior problems.

DEVEREUX  
KANNER  
CENTER  
8/96 to 8/98

Coordinator of Clinical Services

Responsible for the development and utilization of clinical and behavioral services across educational and residential programs. Supervisory responsibilities included staff psychologists, program interns and pre-professional trainees. Attended administrative meetings in place of or in conjunction with the Director of Clinical and Behavioral Programs.

Developed and implemented a behavior modification program for Children and Adolescents with Behavior Disorders (CABD). Provided clinical consultation services to the Program Director and supervisory staff of the CABD Program. Conducted inservice training on a periodic basis to clinical, administrative, supervisory, educational, and direct care staff. Chair of the Committee on Hospitalization, 1:1 Staffing and Negative Discharges. Provided consultation to the educational administrators regarding implementation of clinical services.

Participated in educational and residential supervisory meetings, educational team meetings and multidisciplinary meetings.

Provided clinical services for fifteen day students, and other identified individuals.

PHILADELPHIA  
COLLEGE OF  
OSTEOPATHIC  
MEDICINE  
5/97 to 5/98

Faculty-Department of Psychology

Taught Ethics in Psychology in the doctoral program in Clinical Psychology. This course covered the APA Ethical Principles of Psychologists and Code of Conduct as well as the Pennsylvania Licensing Law for Psychologists and the APA Specialty Guidelines for the Delivery of Services.

IMMACULATA  
COLLEGE  
1/90 to 5/98

Faculty-Graduate Division

Taught Professional Issues and Ethics in the doctoral program in Clinical Psychology. This course covered the APA Ethical Principles of Psychologists and Code of Conduct as well as the Pennsylvania Licensing Law for Psychologists and the APA Specialty Guidelines for the Delivery of Services.

Taught Assessment I: Intellectual to students in Clinical, Counseling and School Psychology programs. This course covered intelligence testing, tests of visual-motor ability and interpretation of drawings as well as report writing.

Taught Family Counseling to students in Counseling and School Psychology programs. This course covered an introduction to the major contributors in the field of family counseling as well as appropriate intervention strategies.

EASTERN STATE  
SCHOOL AND  
HOSPITAL  
11/83 to 8/96

Director of Psychology Internship Program

Developed a full-time internship program approved by the American Psychological Association. This included the preparation of a descriptive handbook and application form, managing the recruitment process including establishing interview and selection criteria and coordinating the hiring process. Also included was budgetary planning, conducting orientation, developing a supervisory model, assigning interns to appropriate staff and developing training seminars. In addition, individual supervision and teaching was done as well as program evaluation.

Assistant Director of Psychological Services

Included assisting the director in planning, implementing and directing the policies and procedures of the department as well as representing the director at all hospital functions in his absence.

Assistant Unit Director

Provided psychological services to twenty preadolescent and adolescent female patients with psychiatric and developmental disorders as well as problems resulting from sexual abuse and substance abuse.

Also provided psychological services to twenty adolescent male patients on the Juvenile Forensic Unit who were adjudicated delinquent as well as having a major psychiatric disorder.

Responsibilities included all aspects of treatment such as individual, group and family therapy; crisis intervention; psychodiagnostic assessment; school and outside agency consultation; treatment team management and administration.

Additional Hospital Service

Chairman of the Therapeutic Restrictive Program Committee to review all negative or restrictive treatment programs to insure proper procedures and patients' rights; membership on the Inservice Training Committee; Hospital-School Committee; development of the hospital behavior modification program; and the development and implementation of an orientation program for all hospital volunteers.

PROGRAM OF  
AUXILIARY  
SERVICES  
TO STUDENTS (PASS)  
1/81 to 11/83

Staff Psychologist

Responsible for psycho-educational evaluations of learning disabled and emotionally disturbed children as well as participation in Child Study Evaluation Team Meetings to determine placement for these children. Conferences with parents and teachers were held, consultation services for four to six schools were provided, and individual as well as group therapy was done.

PASS  
9/80 to 12/80

Internship in School Psychology

Included the same responsibilities listed above.

SAINT GABRIEL'S  
HALL  
1/81 to 9/81

Staff Psychologist

Responsible for two living areas of 50 adjudicated delinquent adolescent boys. Responsibilities included individual therapy and psychological testing as well as treatment team and school consultation. Some staff development for direct child care staff was also provided.
