

BRIGHT. FUTURE.

Here's how a Widener **business degree** will put you on the inside track to a rewarding career.

PICK A POWERHOUSE PROGRAM.

Choose from **eight majors** in our nationally ranked School of Business Administration.

Earn a bachelor's degree and master's degree in five years through our **4+1 program**, saving time and money.

► GAIN REAL-WORLD EXPERIENCE.

Sharpen your business skills and support local clients through Widener's **Small Business Development Center**.

66% of Widener students complete a co-op or internship—14% higher than the national average.

Complete a **one-year paid co-op** and still graduate in four years—unlike most schools that require a fifth year.

► LAUNCH YOUR CAREER—SURROUNDED BY A SUPPORTIVE COMMUNITY.

Recent Employers:
The Boeing Company,
JP Morgan, Chase,
Philadelphia Eagles,
Vanguard

Experience **powerful mentorship** from industry-connected faculty and accessible alumni.

Join the business-focused specialty housing community to **form long-lasting connections** with peers and mentors.

"My internship—where I worked with game-day staff at Philadelphia Eagles games, concerts, and other events at Lincoln Financial Field—was phenomenal in allowing me to apply the information I was learning in the classroom. Everything I encountered in the School of Business Administration building was translated directly into my role." - **Tiernan Johnson '23**
