

PRIDE GUIDE

2024

A Guide for
Widener
Students

Widener University

DEAR WIDENER STUDENTS AND FAMILIES,

Dear Students and Families,

I am excited to be among the first to welcome you to Widener University. As you begin your journey, it is important to know that there is a community of faculty, staff, and students that are committed to your success. The Division of Student Engagement and Transformation is here to support you in any way that we can to promote a positive transition during your first year.

As a new member of the Widener Pride, all students will participate in the Pride Experience Orientation Program—a program designed to help you succeed both academically and personally. The programs we provide are specifically tailored to address questions you might have, information you need, and will help start your university experience on solid footing.

Our Pride Experience Orientation Programs are mandatory for new first-year students.

Undergraduate students arriving in the fall semester participate in our Pride Experience I and II Programs. Transfer students (arriving fall or spring semesters) participate in our Pride Experience III Program.

Pride Experience I: Summer Registration is designed to help you connect with classmates, prepare your fall class schedule, learn about academic and personal resources available at Widener, and get an in-depth preview of the fall Pride Experience II program. You will be guided by our team of CREW Leaders, a highly trained group of current students ready to assist you and your family.

Pride Experience II: Fall Orientation is packed with educational and social events that will acclimate you and your classmates to campus. Pride Experience II includes lots of time for fun, tons of useful information, and introductory activities with your classmates and CREW Leaders. Pride Experience II also includes Academic Convocation, an inspiring event that kicks off your academic experience.

Pride Experience III: Transfer or Spring Orientation is specially designed as an orientation program for incoming students transferring in from another institution or starting in the spring semester. You'll have an opportunity to connect with other students, finalize course schedules, and learn about the broad array of resources available at Widener.

As you're planning to join us at Widener, we also urge you to consider attending the **1821 Experience Pre-Orientation Program and Living Learning Community**:

The Office of Student Inclusion & Belonging invites incoming new and transfer students to participate in an opportunity to ease into the Pride family by joining the 1821 Experience Pre-Orientation Program from August 14–18, 2024. During this program, you will learn about transitioning to college life, meet new friends, explore campus, connect with student leaders, and move in early, if living on campus. All students are welcome! International, commuter, and first-generation students are encouraged to apply. The participation fee is \$200. Register early, as participation is limited. For more information, please contact the Office of Student Inclusion & Belonging by email at osib@widener.edu.

As Vice President and Dean of Students, it is my honor to serve as your chief student advocate and I look forward to engaging with you during your time at Widener. I want to offer three pieces of advice to consider during your first year:

Prioritize academic success: Utilize your academic resources including professors, academic advisors and tutoring. Ensure that you ask for help when you are in need.

Get involved: Take advantage of opportunities to explore campus life. There are clubs, organizations, athletics, fraternities and sororities and other events that allow you to build community, have fun, and learn outside the classroom.

Focus on your well-being: Equip yourself with tools to be proactive about your mental health and well-being. There are campus resources, including our Student Health Center and Counseling and Psychological Services (CAPS), that are part of a network of resources centered around your wellbeing.

We are thrilled you have chosen Widener as the critical next step in your academic career. We are committed to partnering with you for a successful experience. Please reach out to me as well as the entire Student Engagement and Transformation team if we can be of assistance during your journey.

Remember...We're all Widener! You belong here. Go Pride!

Sincerely,

Fred McCall

Fred McCall, PhD
Vice President, Student Engagement and Transformation & Dean of Students

YOUR WIDENER TOOLKIT

Campus1Card

Before you head out the door, check: phone, keys, wallet, Widener ID. That last item is your key to entering campus buildings and what you'll swipe each time you use your meal plan or Pride Bucks.

CampusDish

What's for dinner (or breakfast or lunch?) Find out at Widener's dining services website—and view on-campus restaurant hours, sign up for a meal plan, and add Pride Bucks to your account.

widener.campusdish.com

Canvas

This is the hub for all things related to your courses, including syllabi, assignments, grades, and more.

widener.instructure.com

Microsoft 365

Your Widener account grants you access to Microsoft Outlook, Word, Excel, PowerPoint, and OneDrive applications.

mySuccess

Your one-stop-shop for resources, tools, and services you can leverage for academic, personal, and career success.

mysuccess.widener.edu

myWidener

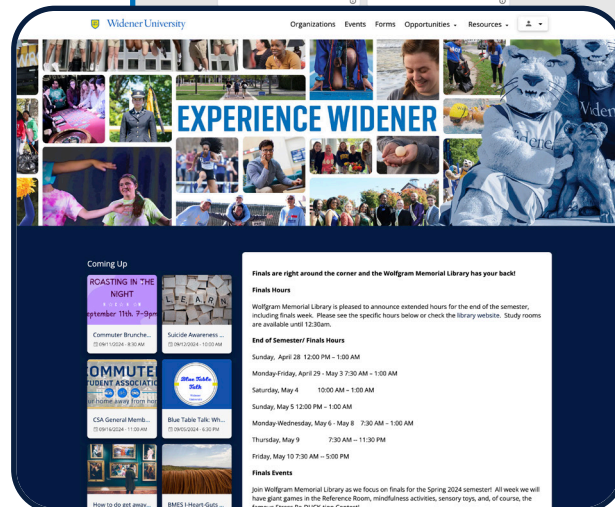

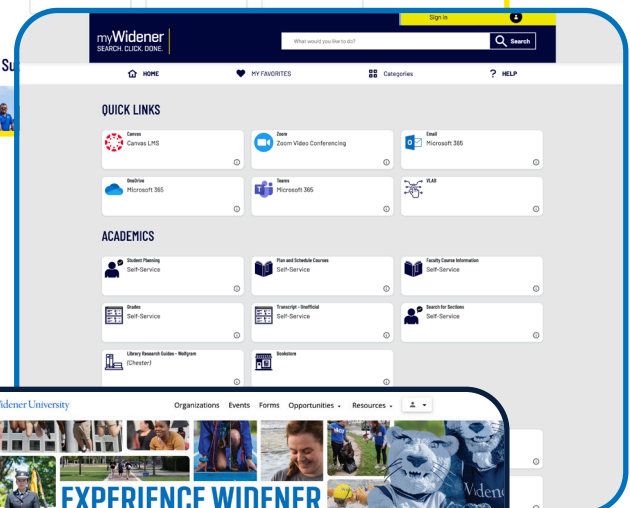

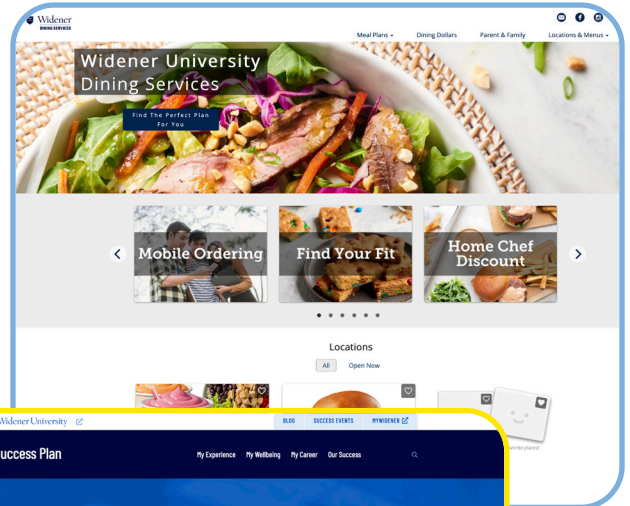

Need to find a link to something—anything, really? Consider this your guide. From academic, library, and IT resources to financial aid and housing & dining information, it's all here.

ACADEMIC SUCCESS

FIRST-YEAR EXPERIENCE

The First-Year Experience brings together academics, student-life activities, and community engagement around a shared theme. The goal of the First-Year Experience is to consider questions from multiple perspectives, share ideas and conversations in the classroom and beyond, and introduce you to intellectual life and community at Widener.

Widener's general education curriculum, Foundations and Transformations, is a cornerstone of the First-Year Experience—including the first course, **ASC 101: Thinking Through**. Choose from dozens of complex questions to explore during the fall semester of your first year. As you dig deeper, you'll examine the big issues that shape our world and our ways of relating to one another.

You'll review these topics and register for one course with help from your academic advisor during the Pride Experience I: Summer Registration orientation program.

LIBRARY SERVICES

The **Wolfgram Memorial Library** is a great place to study, collaborate with others, and find help with your research. To enter the library and use its services, including printing, you'll need your Widener ID card.

- Stop by the information desk to check out books, study room keys, course reserves, or even board games. You can also borrow a laptop or charger for your phone or tablet.
- Visit the Technology Support Center (TSC), located on the main (second) floor, for assistance with your computer and handheld devices. No appointment is necessary.
- Find your favorite study spot, from individual quiet study to collaborative group spaces.
- Make use of the library's desktop computers, black-and-white and color printers, photocopier, microfilm system, and scanner.
- Visit the library's homepage, widener.edu/wolfgram, to access online databases, journals, videos, and eBooks. From here, you can also reserve a study room, view hours, or chat with library staff. If you need a resource the library doesn't have, the Interlibrary Loan service can get it for you for free.

Visit my.widener.edu/task/maincampus/stsc for hours and contact information.

ACADEMIC ADVISING

Academic advisors help you translate your goals and interests into an effective and successful educational experience. They help you understand and navigate academic requirements, policies, and procedures while guiding you in course selection.

Visit mysuccess.widener.edu/academicsupport to explore all the resources available to you.

OFFICE OF STUDENT SUCCESS

Our caring, expert staff can connect you with resources that enhance your academic performance and success—at no additional cost.

Academic coaching is provided through one-on-one sessions and group meetings with a trained academic coach who can assist you in a variety of areas. Academic coaches also offer several academic success workshops throughout the academic year. Any full-time student can sign up to meet with an academic coach.

Tutoring, facilitated by a trained staff of Widener students, is available for most introductory and upper-level courses. While most tutoring is offered one-on-one, some courses—like physics, biology, and chemistry—have walk-in sessions to foster collaboration and group learning.

MATH CENTER

Experienced professional and undergraduate tutors provide help with mathematics content for all courses—no appointment needed! You can also connect with a tutor virtually via Zoom.

WRITING CENTER

Receive personalized, one-on-one help with research papers, essays, or other writing assignments from our faculty members, many of whom teach English courses at Widener. Get started by calling us or stopping by to schedule an appointment.

STUDENT ACCESSIBILITY SERVICES

Student Accessibility Services works with Widener students with disabilities by approving and facilitating accommodations that provide equal access to Widener's academic and campus programming. Whether you had an IEP or a 504 plan in high school, or were recently diagnosed with a disability, you can work with the team to customize a support plan.

WELLBEING & BELONGING

STUDENT HEALTH SERVICES

Here, you'll access free, confidential medical services and educational resources that empower you to seek appropriate health care for wellness, illness, and injury. View them at widener.edu/health-services.

CONTACT

610-499-1183
studenthealth@widener.edu
Metropolitan Lane
(adjacent to Metropolitan Hall)

HOURS

Fall & Spring: Mon.-Fri.: 9 a.m.-5 p.m.
Winter & Spring Break: Closed
Summer: Mon.-Thurs.: 9 a.m.-2 p.m.

COUNSELING & PSYCHOLOGICAL SERVICES (CAPS)

The office is staffed by a team of licensed mental health clinicians dedicated to supporting your emotional wellbeing. It offers individual counseling and psychotherapy services—all of which are free and confidential—in addition to education and outreach programming.

Its work is guided by a short-term, solution-focused model. When appropriate, members of CAPS will work in partnership with faculty and staff across campus to connect you to additional student support services that may be beneficial to your success. Staff will also consult with off-campus providers to support your wellbeing. Often, maintaining a connection with a prior treatment provider can further assist your transition to college.

CONTACT

counselingcenter@widener.edu

SERVICES

- 24-hour escort service
- Transportation to local medical facilities
- A shuttle bus (aka the Pride Ride) that circulates the campus; it runs Mon.-Fri., 9 a.m.-1 a.m.; Sat., 12 p.m.-1 a.m.; and Sun., 12 p.m.-12 a.m. The shuttle also accommodates those with physical disabilities and provides transportation to the nearby Wawa, Walmart, Springfield Mall, and Target.

Old Main

CAMPUS SAFETY

Officers patrol campus with gas and electric vehicles and walking patrols 24 hours a day, seven days a week, 365 days a year. The campus and surrounding neighborhood are closely monitored via 450 closed-circuit surveillance cameras.

All of Widener's officers receive mandatory on-the-job and in-service training and are certified by the American Red Cross in first aid and cardiopulmonary resuscitation (CPR) and in how to use an automated external defibrillator (AED).

Widener enjoys an excellent working relationship with the City of Chester Police Department, which has primary police jurisdiction for the Chester campus.

PRIDE MENTOR PROGRAM

The program provides support services to students from a variety of backgrounds and aims to help you make the most of your Widener experience.

What you'll gain

- Adjust to college life
- Develop productive relationships with peers, faculty, and administrators
- Develop leadership skills

What you'll do

- Weekly connections between protégés and mentors
- Monthly social activities and events planned by protégés and mentors
- Community service projects
- Celebration and recognition events

STUDENT EXPERIENCE

ON-CAMPUS HOUSING

As a new, first-year student, you will receive your housing assignment in your Widener email account and on the Housing Portal.

Visit widener.edu/livingfaqs to learn about housing accommodations, guest policies, quiet hours, and more.

DINING

All first-year and sophomore students are required to live on campus and must select a meal plan. Incoming first-year residential students can choose between three unlimited meal plans in the Pride Café.

Visit widener.campusdish.com to check out meal plans options—and what's for breakfast, lunch, and dinner at the Pride Café.

COMMUTER STUDENTS

As a commuter, it's helpful to know as much about Widener's campus and its surrounding areas as residential students. Be sure to review the campus map and familiarize yourself with the location of buildings, landmarks, streets, and parking lots. We recommend that you arrive at least 15-20 minutes before your classes start. Both university and public transportation provide access to the entire university and surrounding areas.

Since parking is at a premium at Widener, students without a specific need are advised not to bring a vehicle to campus. If you choose to drive, parking permits are required to park in campus lots. While on campus, take advantage of commuter-friendly spaces, like the Melrose Lounge—lovingly nicknamed “the Garage”—a commuter lounge on the University Center's lower level.

If you plan to drive, purchase a parking permit via myWidener. Visit widener.edu/commutingfaqs for answers to your commuting-related questions.

CAREER DESIGN & DEVELOPMENT

The team is ready to help you choose a major; explore career paths; write your resumé; find internships, co-ops, or jobs; apply for graduate school; and build your professional skill set.

The office offers virtual and in-person coaching sessions, workshops, special programs, classroom and organization presentations, website tools, industry-specific career fairs, and networking events.

Meet Handshake, your one-stop career planning and job search portal. It provides access to hundreds of job opportunities every month and even offers customized job and career event suggestions.

Handshake is available to you throughout your Widener journey. To activate your account, visit widener.joinhandshake.com and enter your existing Widener email and password (single sign-on).

ATHLETICS

Widener's athletic teams compete at the NCAA Division III intercollegiate level. The athletics program places the highest priority on the overall quality of the student-athlete educational and athletic experience.

The Pride competes as a member of the Middle Atlantic Conference, one of the oldest and largest Division III conferences in the nation. Widener sponsors 20+ varsity sports teams.

The athletic department is also supported through intramural and club sports and physical education.

Learn more and access game schedules at widenerpride.com.

Pride Recreation Center

Widener's state-of-the-art fitness facility features cardiovascular and strength training equipment; two group fitness rooms; functional training areas; and a multimedia, all-purpose classroom.

As a student, you also have access to the gym, pool, and track facilities of the attached Schwartz Athletic Center when not in use for team practices or meets. Pride Recreation Center staff is available to help you get the most out of your workouts by providing equipment orientations and a variety of programs and special events to help you reach your health and fitness goals.

The Pride Recreation Center hosts group fitness classes and oversees informal recreation, club sport, and intramural programs. The facility has recreational games and equipment available for you to check out free of charge.

View hours of operation at widener.edu/priderec.

CLUBS & ORGANIZATIONS

Explore Widener's 80+ clubs and organizations at widener.presence.io/organizations, and stop by the involvement fair—held each semester—to find out how to get involved.

Want to start a new student organization? Email studentengagement@widener.edu to get started.

Stay in the loop through our events calendar: widener.presence.io/events.

MAJOR EVENTS

Keep an eye out for these can't-miss events.

Welcome Back Bash: The Pride Activities Council offers dinner, entertainment, and giveaways at this outdoor party.

Pride Nights: Student clubs and organizations partner with the Office of Student Engagement to host free events on Friday and Saturday evenings.

SGA Town Hall Meetings: Helps students stay informed and provide feedback on campus projects, initiatives, and events.

Involvement Fair: Discover how to join student clubs and organizations.

Homecoming: Alumni and current students enjoy a picnic, the crowning of our Homecoming Royalty, and the main-event football game.

Strut Your Mutt: Students, faculty, and staff celebrate Halloween by dressing their furry friends in costume.

Greek Week: Students involved in fraternity and sorority life come together through a series of events including a day of service, athletic activities, and a barbecue.

Late-Night Breakfast: Take a break from studying for finals to enjoy a meal in the Pride Café.

Spring Fling: Close out the semester with music, games, and prizes.

International Week: Celebrate cultures around the globe during tours and restaurant trips in nearby cities, international film screenings, cultural performances, and a multicultural fair.

STUDENT TRADITIONS

Pride pro tip: Rubbing the nose of the Pride statues is a source of good luck. Situated at the heart of campus, the father lion, Chester, is named after our home city. The mother, Melrose, is named after the main road that runs through campus. And hiding in the back is Legacy, our youngest lion symbolizing our future legacy at Widener.

Get acquainted with more student traditions at widener.edu/traditions.

VOLUNTEER IN THE COMMUNITY

Jump into a volunteer experience at home or abroad through the **Center for Civic Engagement**. You can also register for courses that infuse community service into the curriculum and partner with local businesses and organizations, where you'll give back while gaining on-the-job skills.

CONTACT

cce@widener.edu
University Center, second floor

STUDENT INCLUSION & BELONGING

The Office of Student Inclusion & Belonging hosts a variety of programs and activities that provide opportunities for you to meet friends and share ideas and experiences from around the world, all while challenging your views and broadening your perspectives.

In addition to facilitating diversity- and inclusion-themed workshops and events, this team is available to help you develop programs during the academic year. Staff can also assist you with addressing personal concerns and difficult situations.

SUPPORTIVE SPACES FOR THE LGBTQA+ COMMUNITY

Many faculty and staff are trained and recognized as LGBTQA+ allies. These individuals can provide safe places on campus for students who may need support with issues concerning gender identity, the coming-out process, bullying or harassment, and other related issues. A “safe space” decal is displayed in the office spaces of recognized allies.

CONTACT

Office of Student Inclusion & Belonging
University Center, Lower Level
osib@widener.edu

STUDY ABROAD

The Office of International Student Services provides support to Widener students looking to take their studies abroad short term or for a full semester. Widener's membership to the National Student Exchange (NSE) allows students to study away from campus while remaining in the United States.

Scan the QR code to explore more resources that enhance your Widener experience.

CAMPUS RESOURCES

INFORMATION TECHNOLOGY

Technology Support

Walk-in: The tech support center in the library provides troubleshooting assistance for computers and mobile devices. For information and hours, visit my.widener.edu/task/maincampus/stsc.

Phone: Help is available 24/7 by calling 610-499-1047.

Submit a request for assistance: quickticket.widener.edu.

Technology Discounts

Free Office 365 is available for download to all students. Discounts at Apple, Dell, JourneyEd, and CDW-G are also available.

Learn more: sites.widener.edu/its.

Wi-Fi

Connecting your device to the **wu-secure** or **wu-secure-resnet** network and accessing a browser will automatically take you to the registration page. To gain access, register your iPad, PC, tablet, laptop, or phone using your Widener username and password.

Most gaming systems will automatically register and allow you to play immediately. Some gaming systems (very new or very old) and devices such as Smart TVs, Apple TV, Firestick, and Amazon Echo require you to submit a ticket to the CX Team (quickticket.widener.edu), fill out the form, and provide the MAC address of the device.

STUDENT FINANCIAL SERVICES

Pay Your Bill

Semester e-Billing: All billing is done through Widener University e-Billing. You can log in through myWidener to view your e-bill, pay bills, set up a payment plan, and assign authorized payer(s) to view and pay your semester account. Information on billing, Widener payment plans, and authorized user setup for parent users is provided on widener.edu/bursaroffice under “Information and Links.”

You can also view and pay semester tuition bills or set up a Widener payment plan online at the Widener University Student Account Suite: widener.edu/mybill.

Lipka Hall

Course Registration

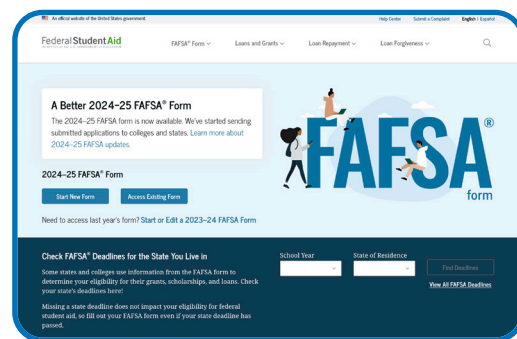

Approximately three weeks prior to the beginning of online course registration, the Registrar's Office will send an email to all currently enrolled students with the specific date and time of their registration. The email also gives instruction for using myWidener to determine registration timing.

Key Steps with Financial Aid

Complete Federal Entrance Counseling and Master Promissory Note

(MPN): If you intend to borrow a Federal Direct Loan, be sure to complete both your Entrance Counseling and your Master Promissory Note for Subsidized/Unsubsidized Loans, available at studentaid.gov.

You will need your FSA ID to log in to the site. This is the same FSA ID you use to submit your FAFSA. Your Federal Direct Loan proceeds cannot be disbursed until both tasks have been completed. Once you complete your Federal Direct MPN and Widener disburses the funds into your student account, you will not have to sign the MPN again—it's valid for 10 years.

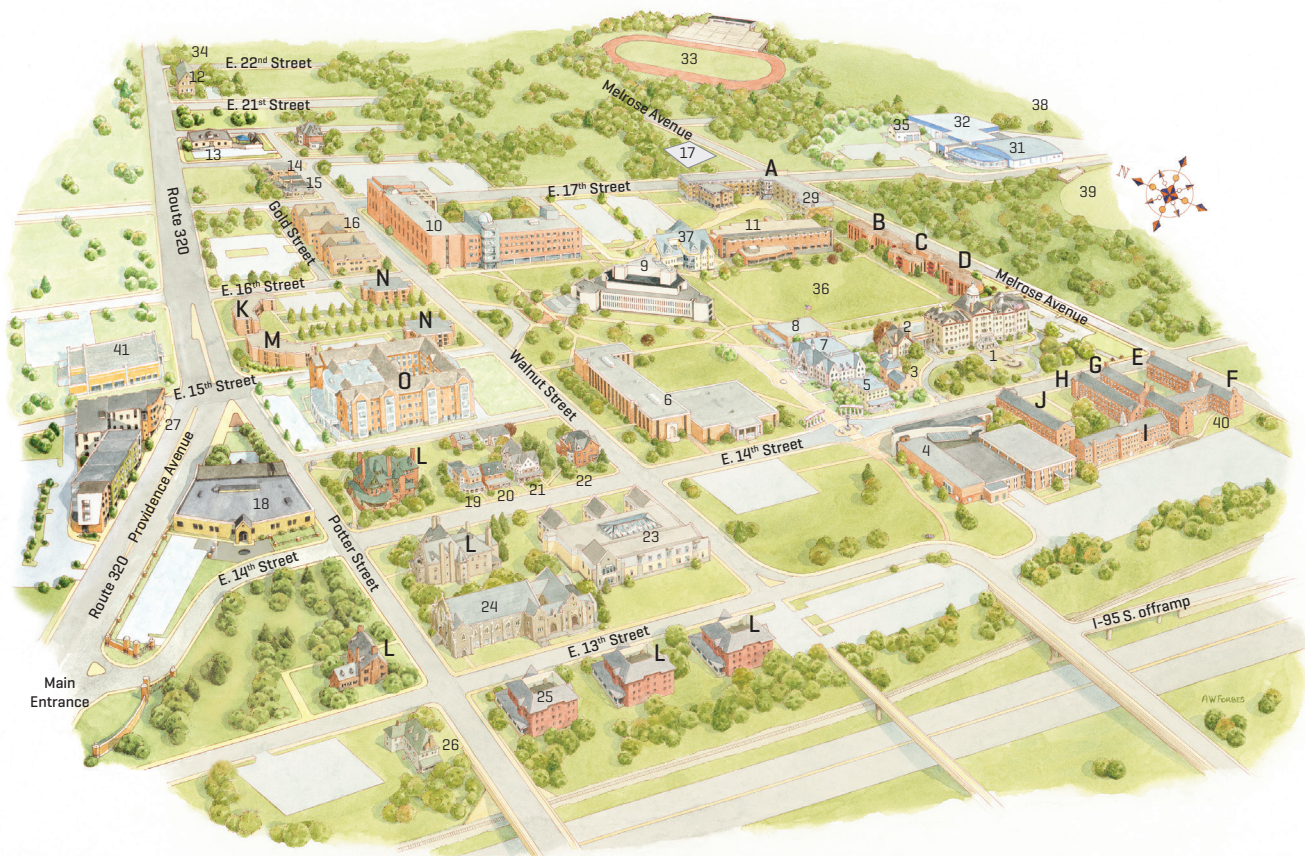

Submit Your FAFSA: The Free Application for Federal Student Aid (FAFSA) is your gateway to state aid, federal aid, and need-based aid from Widener. Include Widener's school code (003313) in your application to ensure Student Financial Services receives your FAFSA.

Keep an eye on deadlines for state grant aid, if you qualify.
