

Widener University

School of Engineering

INDUSTRY CAPSTONE PROGRAM

PROJECT PROPOSAL

PROPOSED PROJECT TITLE: _____

ACADEMIC YEAR: 2025/2026 2026/2027

SPONSOR NAME: _____

SPONSOR TYPE: INDUSTRY UNIVERSITY GOVERNMENT NON-PROFIT

PROJECT RESTRICTIONS: U.S. CITIZENS ONLY U.S. PERSONS ONLY NDA REQUIRED EXPORT CONTROL DATA
Restrictions are strongly discouraged

SPONSOR LIAISON (PROJECT AMBASSADOR): _____

ADDRESS: _____ PHONE: _____ EMAIL: _____

SPONSOR TECHNICAL (PROJECT MENTOR): _____

ADDRESS: _____ PHONE: _____ EMAIL: _____

SPONSOR PAYMENT (PROJECT INVOICE RECIPIENT): _____

ADDRESS: _____ PHONE: _____ EMAIL: _____

\$5,000 PROGRAM FEE

ANTICIPATED PROJECT COSTS (materials, travel, etc.): \$ _____

Note: If actual costs exceed the above projections an additional funding discussion will be required prior to any additional spending.

For Admins Only:

Maximum departmental assumed cost:	
Sponsor assumed cost:	

SPONSOR RESOURCES / FACILITIES PROVIDED: _____

WIDENER RESOURCES / FACILITIES REQUIRED: _____

PROJECT DESCRIPTION AND SCOPE: Widener University reserves the right to share project description and scope information provided below.

Project description, motivation and relevance to lead department (non-confidential)

DESIGN PARAMETERS AND PERFORMANCE:

Project design parameters, performance criteria, scope (non-confidential)

UNIVERSAL DESIGN PRINCIPLES:

Describe applicable avenues in the project for students to engage in universal design principles and inclusive design, and/or the project's impact on diverse populations.

OUTCOMES:

Desired outcomes and deliverables (non-confidential)

PROJECT SKILL STRUCTURE:

With which engineering department(s) would you like the project to engage?

**Selection does not guarantee assignment. Departmental participation will be verified and confirmed by Widener University Faculty.*
