***ALL students MUST** carry health insurance throughout the program. Students may opt out of the insurance every fall if they have their own coverage.

******Most of the program textbooks can be found on AccessMedicine in an electronic format or in the library. This is an estimate of cost of textbooks not found on access medicine.

*******Students are required to complete compliance standards prior to matriculation and throughout the clinical year. This an estimate of cost as not all stunts will be required to repeat these compliance requirements. Compliance is clinical site dependent.

********This is an estimate of the total cost of medical equipment required to start the program. A list of required equipment is provided to each admitted student prior to matriculation. Cost will vary per retailer.

*********Widener does not have on campus house for graduate students at this time. Off campus housing cost is dependent on the lifestyle choices of the student. This estimates in this form are from financial aid cost projections.

*********Travel fees- All students should expect to travel for clinical rotations. Consider travel expenses such as: gas, tolls, and vehicle maintenance, parking, airfare (if applicable) and housing. This cost is an estimate and will vary.
